

NCAA Men's Basketball Rules Interpretation

January 5 , 2004

Notice:

When going to an official courtside monitor to use the reading of 0:00 on the game clock as prescribed by Rule 2-5.2.a, .b, .c, and .d, the officials shall view replays that show the official clock and light displays. On screen television displays shall not be used unless the graphics are in sync with the official game clock. This information shall be obtained prior to the start of the game from the television production personnel.
